MEMORANDUM FOR: Deputy Assistant to the President
for National Security Affairs

SUBJECT: NSDD on Telecommunications Security

REFERENCE: Memo to DepAsst to the President for
National Security Affairs fr D/ICS
dtd 10 Aug 84, same subject (DCI/ICS 84-4338)

1. As a follow-up to my memorandum of 10 August 1984, we have now reviewed the proposed NSDD on Telecommunications Security with the DDCI. Mr. McMahon concurs in the draft as written with the following modification to paragraph 5.b(5). Please amend the parenthetical phrase to read "(with the concurrence of the Director of Central Intelligence)" in lieu of "(except in intelligence activities managed by the Director of Central Intelligence)." With this change, the DDCI believes that the current version of the NSDD accommodates his earlier concerns as delineated in his 20 April 1984 memorandum to you on this subject.

2. This change was provided to Col. Gil Rye telephonically on 13 August.

E. A. Burkhalter, Jr.
Vice Admiral, USN
